

PROVISIONAL NOTICE TO COMPETITORS

HOBIE FISHING WORLD CHAMPIONSHIP 9

Åmål, Sweden

23 August – 28 August 2020

Updated March 3, 2020

The original dates for Hobie Fishing Worlds 9 were to be from June 2nd – June 9th, 2020. However, with the uncertainty of the Covid-19 outbreak the International Hobie Fishing World Association (IHFWA) committee has had to make a responsible decision regarding the safety of competitors, family and friends, event and support personnel, and spectators who would have attended this year's event during the originally proposed June time frame.

While the number of cases inside China is rapidly declining, the sudden spread of the virus, in other countries outside of China, is of concern to the event organisers, and has formed part of our decision-making process. Another factor is that some countries have blocked international travel as a precautionary measure. This alone could have affected the attendance of some competitors and staff at HFW9 if held in June. The Hobie Company and the IHFWA committee felt that it would be in the best interest of all parties to reschedule the event due to the Covid-19 outbreak.

By rescheduling the event, it gives everyone a chance to monitor the pathway of the outbreak in this current climate of uncertainty.
